TRAVEL TO AFRICA

AUTHOR'S TOUR

CANDYMAN "UGANDA"

The fauna in Uganda is amazing - even in Kampala, marabou storks fly freely around the city. The population of the country is friendly towards foreign tourists.

Our team is ready to organize your trip ensuring safety and peace of mind. Candyman brand manager Andrey Yagidarov has explored every corner of this beautiful country and is ready to share with you a piece of the unknown.

PREPARATION IN A TRAVEL

DOCUMENTATION

Your passport must expire at least 2 years before departure.

MEDICAL REQUIREMENTS (VACCINATIONS)

- Typhoid fever
- Yellow fever
- Hepatitis A and B
- Cholera

It is necessary to have with you a medical suitcase with activated carbon, antibiotics, preparations for stomach flora, insect repellents and other medications that you personally need.

WHAT YOU WILL NEED ON YOUR TRIP

- Comfortable shoes and clothes
- Sunscreens and mosquito repellents
- Personal hygiene products

If necessary, our specialists will help you exchange for local shillings (RUB and USD) at the best rate and minimal commissions.

ADVANTAGES AUTHOR'S TOUR

FLIGHT FLEXIBILITY

We select the departure time, convenient route and program taking into account your wishes.

FREEDOM OF MOVEMENT

Experienced guides will tell and show you what is interesting to you.

INDIVIDUAL APPROACH

- Group tours from 10 to 15 people**
- Tours for a group of friends from 5 people**
- Individual tours from 2 people**

SAVING

We will show and tell that Africa is close and friendly to tourists, ready for your arrival thanks to the Candyman brand, widely known on the Continent.

GUARANTEES IN CASE OF FORCE MAJEURE

A company representative is with you throughout your trip.

ABOUT THE MOST IMPORTANT THING

If an organized tour takes you to well-trodden places that you have read about more than once in other people's blogs or heard in the stories of friends and acquaintances, then **our author's tour provides you with an unlimited choice of routes that can become unique.**

You will see not only the facades of cities plastered with magnets and tourist signs, but also their unknown areas and corners, **filled with authentic culture and atmosphere.**

This is a chance to delve deeper into the ordinary life of the country, understand its mentality, see it through the eyes of local residents and make interesting acquaintances with them.

Sometimes only local residents can show you places that are not described in any guidebook, or share useful information that is not available to ordinary tourists.

Well, and in the end, take **photographs that are not similar to those that you see in batches in the albums of package tourists.**

WHY UGANDA?

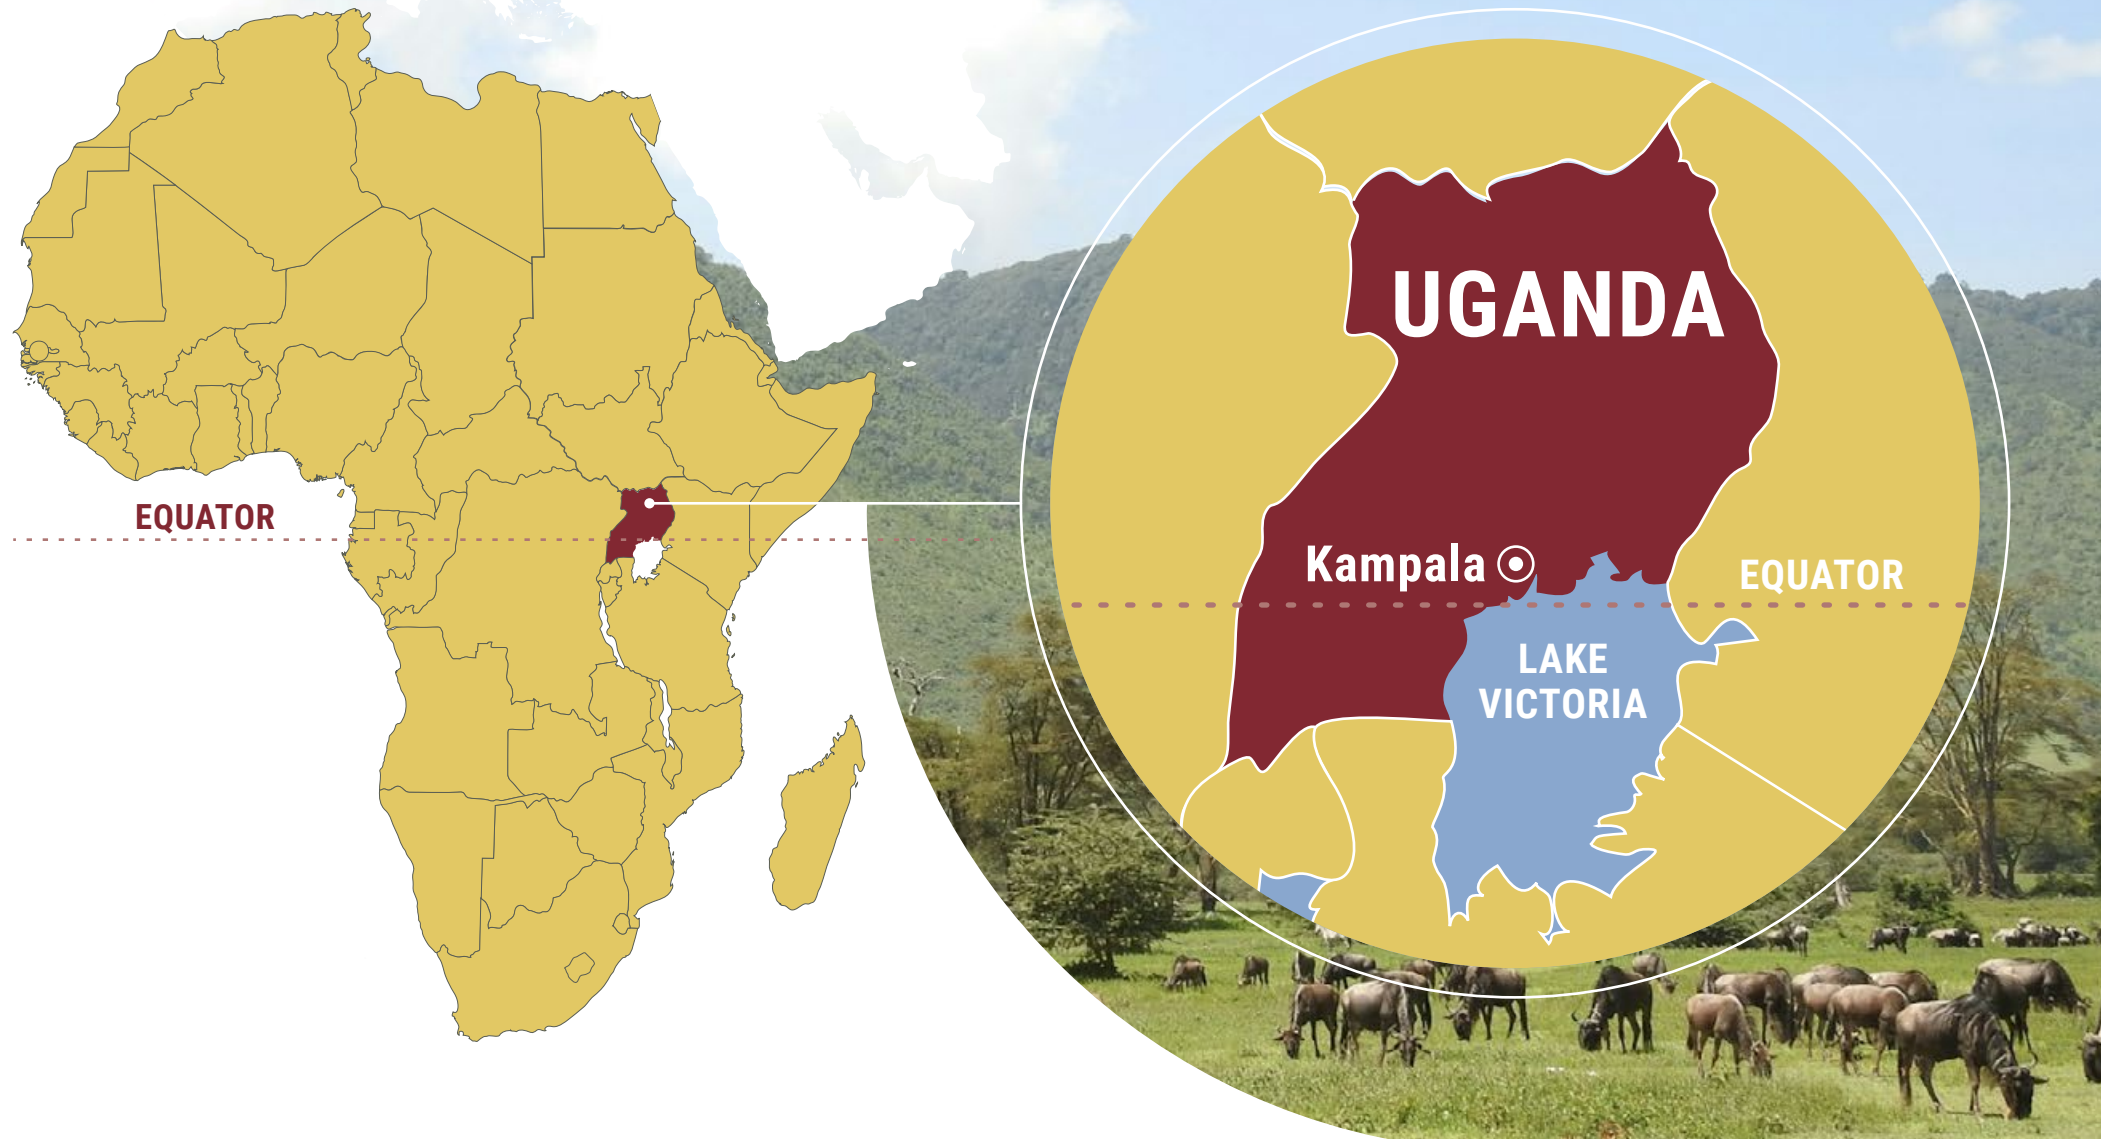

Unlike other tourist places in the world, in Uganda everything is real - hot weather and the climate is stable and favorable ALL YEAR ROUND.

Both in summer and winter, the air temperature does not drop below +28°C.

There are no Islamic radicals or militant groups of citizens in Uganda.

UGANDA HEART OF AFRICA

SIGNIFICANT ARGUMENTS IN FAVOR OF A CAREFREE AFRICAN HOLIDAY

- **In Africa, you can bask under palm trees in the hot sun on a sun lounger or choose active travel to wild, unexplored places.**
- **In Africa you can spend hours admiring the scarlet sunset.**
- **In local African cafes and restaurants, the population is very sociable and friendly**
- **The local Internet is of sufficient quality for both visiting websites and making calls via instant messengers.**

ORGANIZATION FLIGHT

Our representative will accompany you throughout the flight and during transfers, and will help with paperwork at Entebbe airport.

Upon arrival, a transfer is organized to the Hotel in the suburbs of Kampala, where you can relax after the flight and plunge into the world of Africa with renewed vigor.

FLIGHT AND CHECK IN

Check-in and accommodation at a local picturesque hotel in the suburbs of Kampala takes place immediately upon your arrival. Checking into a hotel with local specifics will allow you to experience the full flavor of African life.

You will live in an area among the local population, and not in a tourist area.

WHAT IS WAITING FOR YOU?

What awaits you in this amazing country after settling in:

- Rest and shower after the flight.
- Registration of a local SIM card at the cheapest prices in order to to be always in touch.
- Then we will stroll through the best bazaars and become immersed in the local culture.
- The best African souvenirs, delicious food. African fruits offer an inexhaustible palette of flavors and forms: the freshest mango, avocado, magic fruit, ackee, marula, African pear and much more.

Uganda is like one big store.

Experienced guides will take you to markets and bazaars to buy handmade souvenirs.

There is a huge selection of all kinds of handicrafts by folk craftsmen. **A representative of our company will not allow petty deception on the part of traders and will negotiate the best price for your purchases.**

**WE ARE TOGETHER WITH YOU
LET'S VISIT**

ZOO

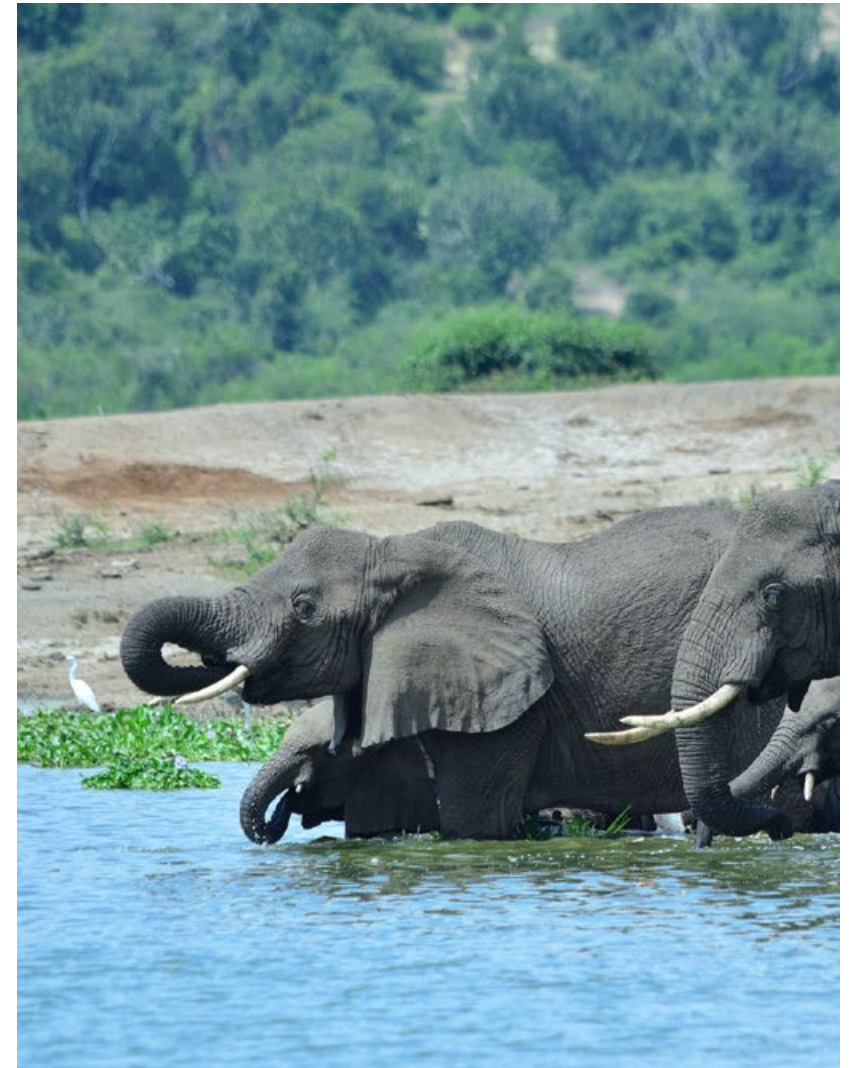

**The zoo is located on the shores of Lake Victoria.
Huge area, picturesque view of the lake.**

LAKE VICTORIA

**The largest lake on the African continent, its area is
twice the size of Lake Baikal, and the longest river in
the world, the Nile, originates here.**

**The lake shore is dotted with local cafes with an
original flavor.**

**You will have freshly caught fish from the lake on
your table, prepared by local chefs.**

**WE ARE TOGETHER WITH YOU
LET'S VISIT**

EQUATOR

Have you ever stood with one foot in the southern hemisphere and the other in the northern hemisphere?

It is at the equator that you can simultaneously find yourself with both feet in different parts of the planet.

COFFEE PLANTATIONS

“Coffee tours” are very popular travel routes in Uganda and our Team will select the most interesting plantations for you.

You will see with your own eyes how grains are grown and processed, dried and cleaned.

**WE ARE TOGETHER WITH YOU
LET'S VISIT**

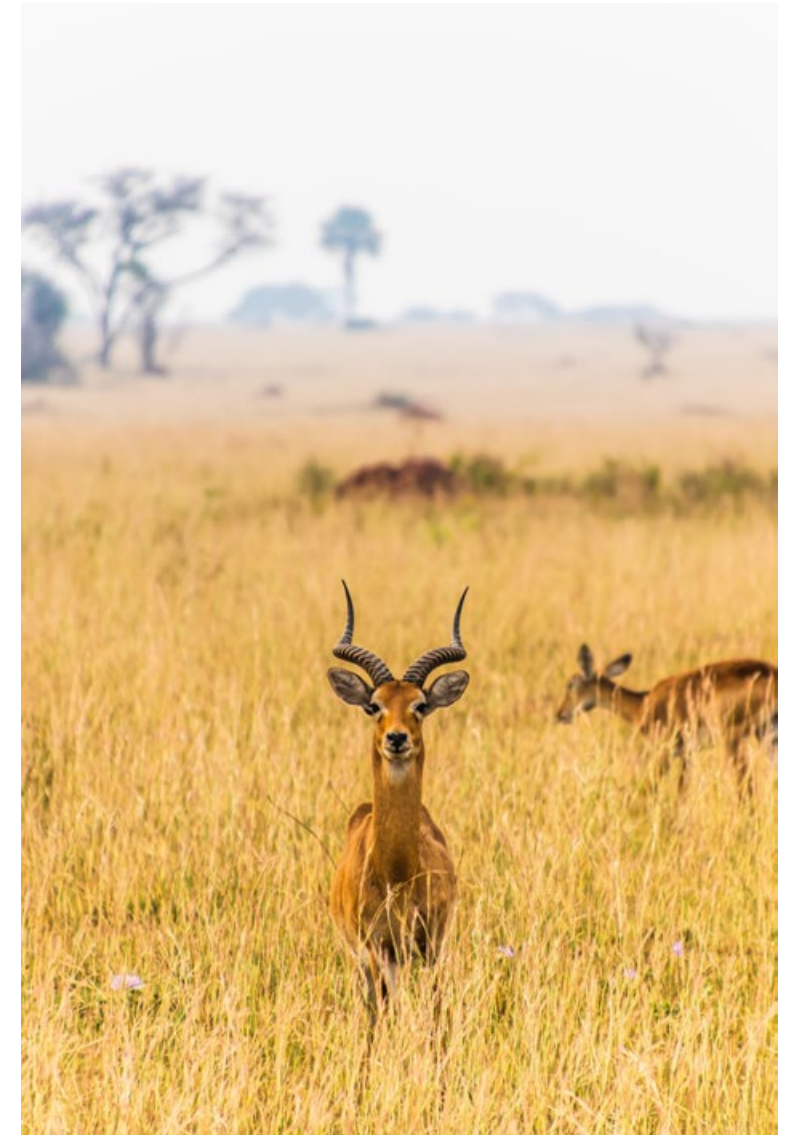

QUEEN ELIZABETH NATIONAL PARK

Perhaps this attraction is the most popular in the republic.

This is a unique natural monument with an amazing diversity and richness of flora and fauna.

Here you can see landscapes of many climatic zones and natural complexes: from deserts and savannas to tropical jungles and swamps.

The national park is home to more than 100 species of mammals and more than 600 species of birds. Animals such as lions, leopards, hippopotamuses, African elephants, buffaloes, antelopes and many other species can be found.

AND MANY, MANY OTHERS!

If you want to travel to Uganda, we will make your dream come true!

We will prepare a program, think through logistics and organize a tour. At the moment, the program and group are being formed. You can submit a request to be the first to receive the program.
